over  
7,000 motor carriers

The **Motor Carrier Database** is a flexible and cost-effective marketing tool for companies writing insurance for the intermodal industry. The database provides complete, accurate contact information for over 7,000 motor carriers — including expiration dates for auto and general liability policies (where available). Order the entire Motor Carrier Database to conduct a nationwide marketing campaign or target your campaign by ordering just the specific regions you need. The Excel® file format makes it easy to quickly sort and segment the list.

Learn more about how you can reach over 7,000 motor carriers by ordering the Motor Carrier Database. Complete the order form on the reverse and mail or fax to IANA today.
