

UIIA Requirements for General Liability:

- Motor Carriers participating in the UIIA are required to carry a commercial general liability policy for 1 million per occurrence. Canadian Funds are acceptable, however general liability policies provided in Canadian Funds will need to be equivalent to the 1 million (US Funds) required for this coverage.
- Self insurance or a self insured retention is not permitted on the general liability as there is no state or federal regulatory agency that authorizes companies to be self insured for this policy. Deductibles are permitted.
