

This is the public page of the Equipment Return Location Directory that will reside on the UIIA website.

Link to EP Login to manage your satellite return locations or submit request for changes

Below is a listing of participating Equipment Providers in the UIIA that have provided their pre-designated satellite return locations in accordance with Section E.1.b. of the UIIA. To see the satellite locations for an Equipment Provider, simply click on the drop down menu next to each EP or click on the EP's company name.

To download a complete listing of satellite locations for each of the Equipment Providers, click on Excel or PDF links at the top of the page under the heading, "Download All EP Satellite Locations". Users will have the option to download information in an Excel or PDF file format.

Users will be able to select specific Equipment Providers to download their satellite return locations in either a PDF or Excel file. In addition, they can click on the EP's company name to see the satellite return location listing for that specific EP or click on the PDF or Excel button next to the EP's name to download the information in these formats.

Login - IANA's Equipment Return Location Directory

[Home](#)

After clicking on EP Login button from Home Page, the EP is taken to this login page. Each EP can login with their UIIA SCAC Code and Password.

Access to the Equipment Return Location Directory will also be available on the navigation bar inside the UIIA application. Accessing from within the UIIA will open up the Equipment Return Location Directory in a new window and will not require login.
