Re: Flexi-Van Leasing, LLC Joins the UIIA

Notifications were sent out to UIIA MCs on June 15, 2020, announcing that UIIA EP, American Intermodal Management, LLC (AIM) will be transitioning their UIIA participation to Flexi-Van Leasing, LLC due to a merger between the two companies earlier this year. Flexi-Van Leasing, LLC will become the new equipment provider under the UIIA.

AIM is allowing a 90-day transition period for UIIA motor carriers to provide the necessary information to establish a valid UIIA interchange under the new name, Flexi-Van Leasing, LLC. The scheduled date for completion of the name change is September 15, 2020. Questions regarding how to get setup with Flexi-Van Leasing, LLC can be directed via e-mail to [uiia@intermodal.org](mailto:uiia@intermodal.org) or by contacting the UIIA office by telephone at (877)438-8442. Thank you.
