TO: UIIA Motor Carrier Participants Doing Business with the Milestone Companies

FROM: Debbie Sasko
AVP, Information Services

SUBJECT: New UIIA Equipment Provider Participants

We are pleased to announce that **Milestone Equipment Company LLC (MEC) and Milestone Chassis Company LLC (MCC)** will become new Equipment Provider participants to the Uniform Intermodal Interchange and Facilities Access Agreement (UIIA) **effective December 15, 2017**. To follow are the addenda to the UIIA for both EPs. Please keep these addenda with the other addenda files provided to you by this office.

As party to the UIIA and identified by Milestone as a company they do business with, you will be responsible for payment of the Daily Charges outlined in their addenda. In addition to the insurance outlined under Section F.6 of the UIIA, you will need to make sure that the current insurance your company has on file with the UIIA meets the additional insurance required by these two new Equipment Providers. These additional requirements are defined in their enclosed addenda, however to assist you we have summarized these requirements below:

- Motor Carrier shall maintain **Cargo insurance with a limit of \$100,000 per occurrence**.
- Motor Carrier shall have in effect **Trailer Interchange/physical damage insurance** covering physical loss or damage to non-owned equipment with minimum **limits of at least \$27,000**.
- **Workers Compensation insurance** in an amount and form necessary to satisfy **statutory requirements**.
- Motor Carrier shall name **Milestone Equipment Company LLC and Milestone Chassis Company LLC as additional insured and Loss Payee thereof on its Auto Liability, General Liability and Trailer Interchange** policies as their interest may appear.
- Motor Carrier that plan to move hazardous materials for these two Equipment Providers should refer to the Milestone Equipment Company LLC and Milestone Chassis Company LLC addenda for specific insurance limits required in these circumstances.
- Milestone Equipment Company LLC and Milestone Chassis Company LLC will not accept any insurance underwritten by a risk retention group.

If your insurance covers the additional requirements above please have your insurance company or agent submit to the UIIA a certificate of insurance that includes the additional insured information for the auto, general and trailer interchange policies for both Equipment Providers. **Enclosed is a current copy of the Equipment Provider Checklist reflecting the addition of these two new companies. We suggest you forward this list to your insurance agent to use as a reference if they will be submitting a new certificate of insurance to add these new Equipment Providers as additional insureds on your policies.**
